

# Benefits of your NHBC registration

Your NHBC registration offers you much more than just warranty and insurance cover for the new homes you build.

Raising Standards. Protecting Homeowners

# Supporting you throughout the build process

From pre-land acquisition to completion and sale, we have services to support you at every step as well as a host of branded materials to help you sell your homes.

## Promotional items

As the leading new home warranty brand, NHBC is the name widely recognised by home buyers.

### Free site pack

Claim your free site pack for every new site you register with us for warranty which includes a site board, flag and van sticker.

### Additional items available in our online shop

Extra items such as additional flags, site boards, stickers and branded merchandise can also be purchased [here](#).

## Technical support and expert guidance

Our in-house engineers, surveyors, [land quality experts](#) and building inspectors are all here to support you with advice and guidance from pre-land acquisition through to completion.

### NHBC TechZone

[NHBC Techzone](#) is the online home of NHBC Standards, Technical Guidance Notes, Building Regulations information and NHBC Accepts, our review service for innovative systems and products. It contains a wealth of information to help you get everything right first time.

### On-site construction quality

Our Building Inspectors are on hand to offer technical advice during your key stage inspections and we also offer a range of [construction quality consultancy services](#) too. We work in partnership with you on defects prevention, helping you get it right first time to save you the time and cost of remedial works further down the line.

### NHBC Portal

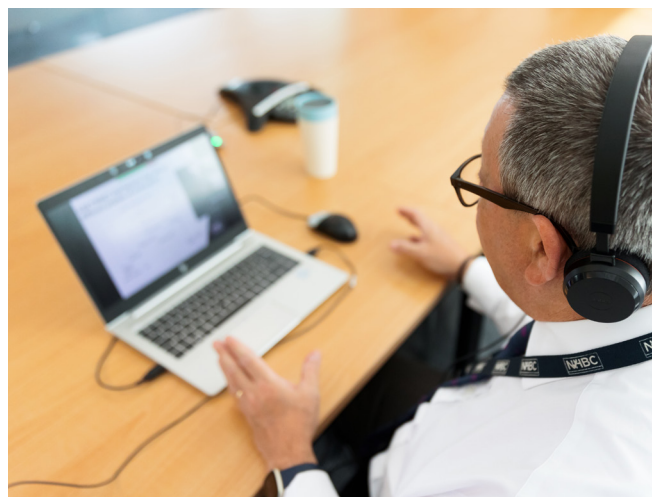

[Quick sign up with our Portal](#) gives you access to register your new sites and all your latest site information, as well as other useful resources including your key NHBC contacts.

### Unlimited access to technical support

Our experts are always available on our free technical helpline. Call us on **0344 633 1000 (Mon to Fri 09:00 - 17:00)** and ask for **Technical**.

# Training delivered by house-building professionals

Whether it's keeping up to date, developing new skills or enhancing existing ones, we can help with courses, qualifications and free webinars. We also offer NVQs and apprenticeship programmes designed specifically for house building.

## Awards and events

All of our awards and events support our core purpose of helping our customers improve the standards of construction.

### Pride in the Job

Running for over 40 years, Pride in the Job is the most highly regarded competition in the house-building industry. It recognises site managers who achieve the highest standards of quality. Site managers are automatically entered into the competition, free of charge, if they are working on a site registered for NHBC warranty and insurance.

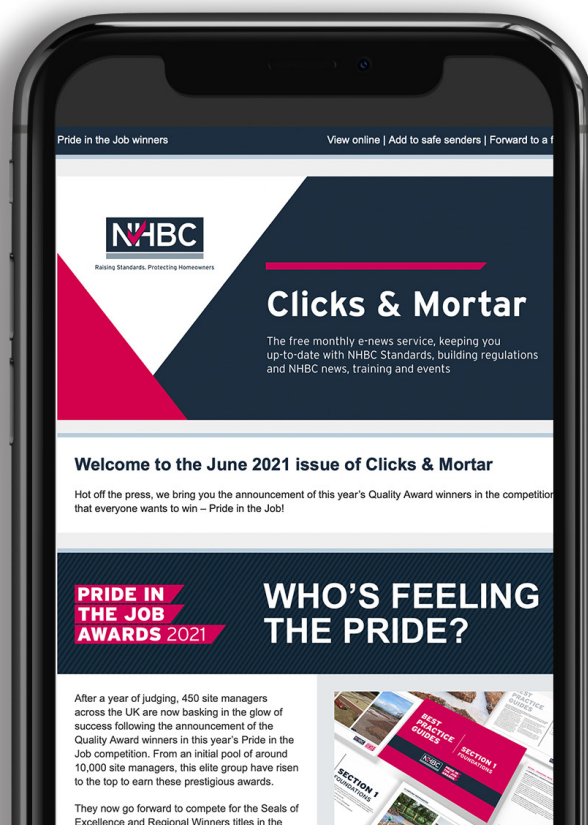

### Building for tomorrow

This annual seminar series at venues across the UK is a must-not-miss event where we share the latest in Standards, regulations and quality matters.

## Monthly technical and regulatory news

All registered customers receive Clicks & Mortar, our monthly e-newsletter of technical and regulatory news, as well as a free subscription to Housebuilder magazine. If you do not currently receive Clicks & Mortar, you can sign up here.

---

## Other products and services

Your local Building Inspector is available to help you with any queries you may have and to signpost you to other products and services we can offer. Please don't hesitate to contact them or get in touch using the details below. We'd love to hear from you.
